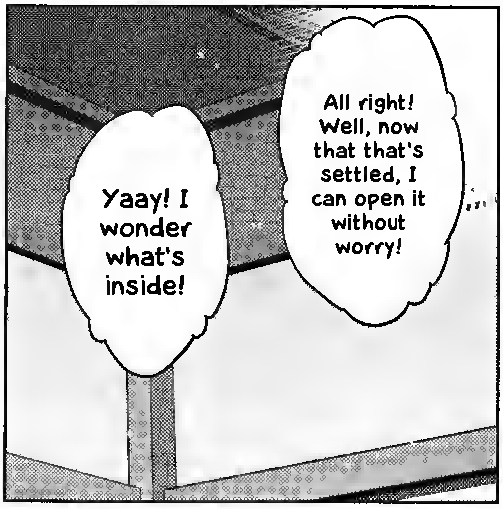
Oh, you're finally back
Hey I needed to talk to you
Huh? Really? Sorry
Well, you see...
Ah
Asakura, you can't whistle?
?
Hyu
Hyu

Yeah, yeah.
I'll trade you this one for yours.
Huh? Trade out this present?
Ah!
Um, but... I've already opened mine...
That's not a big deal at all!
This one's important!
No, that's not what I meant...
If you wanted to drink the flower tea, we don't have to trade. You can have some.

Huh? If that's the case, I do, but...
You definitely want this one!
This one's from Kyon-kun!
Hich?!
I'll say, no, thanks
Yeah.
Hm...
Above all, I'm more than satisfied with the present I got from Asahina-senpai
Everyone drew lots fairly...

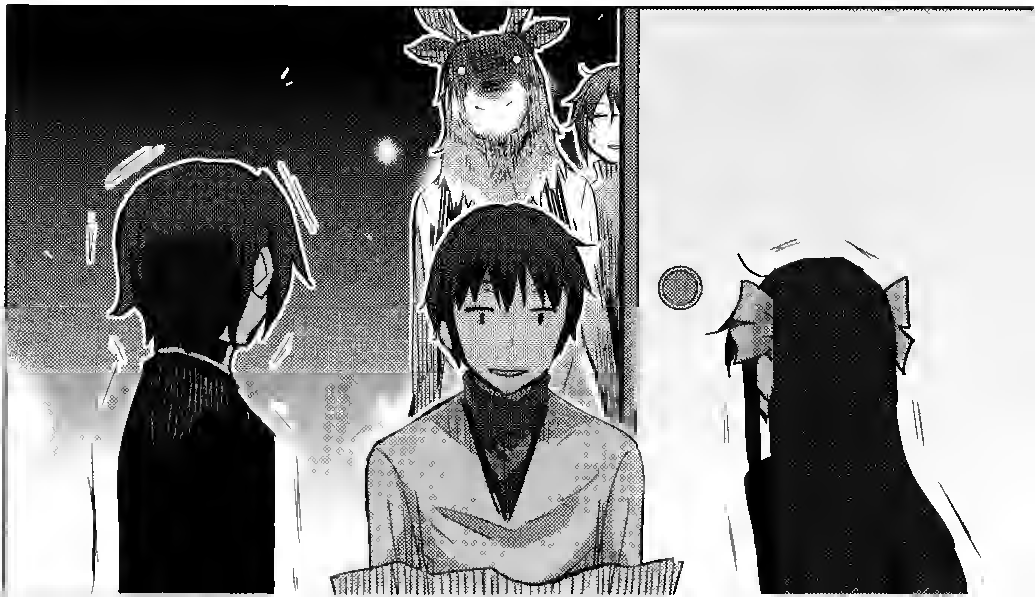
I know you're only looking after me...
I'm sorry.
No, it's okay



All right! Well, now that that's settled, I can open it without worry!
Yaay! I wonder what's inside!

No matter how you put it, I'd feel guilty after all
Hahaha, I guess so

Ooh, that's how...
Hm...



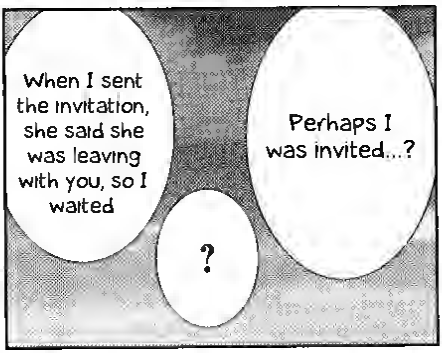
?
What's up? You're clinging to me. Are you cold?
No...
I'm fine...

New Year's Morning
We're going to the shrine now!
Okaaay!
Heeey!
In a sec!

Oh! Here at last

Hey... Kyon-kun?

Happy New Year!
I don't think you'd say, "Here at last," for chance meetings, but Happy New Year.
Well, what a coincidence Happy New Year!



When I sent the invitation, she said she was leaving with you, so I waited
?
Perhaps I was invited...?

Ahaha...
Did you invite him, Nagato-san? Nice move

Yuuu-
kiiiiii-
chaaan!
Hm?
Patter
Patter
Patter
Patter
Nah, not at all.
Did you wait long?

Geez. I told you we'd eat after we came here, right?
Yeah. That's why I brought a snack

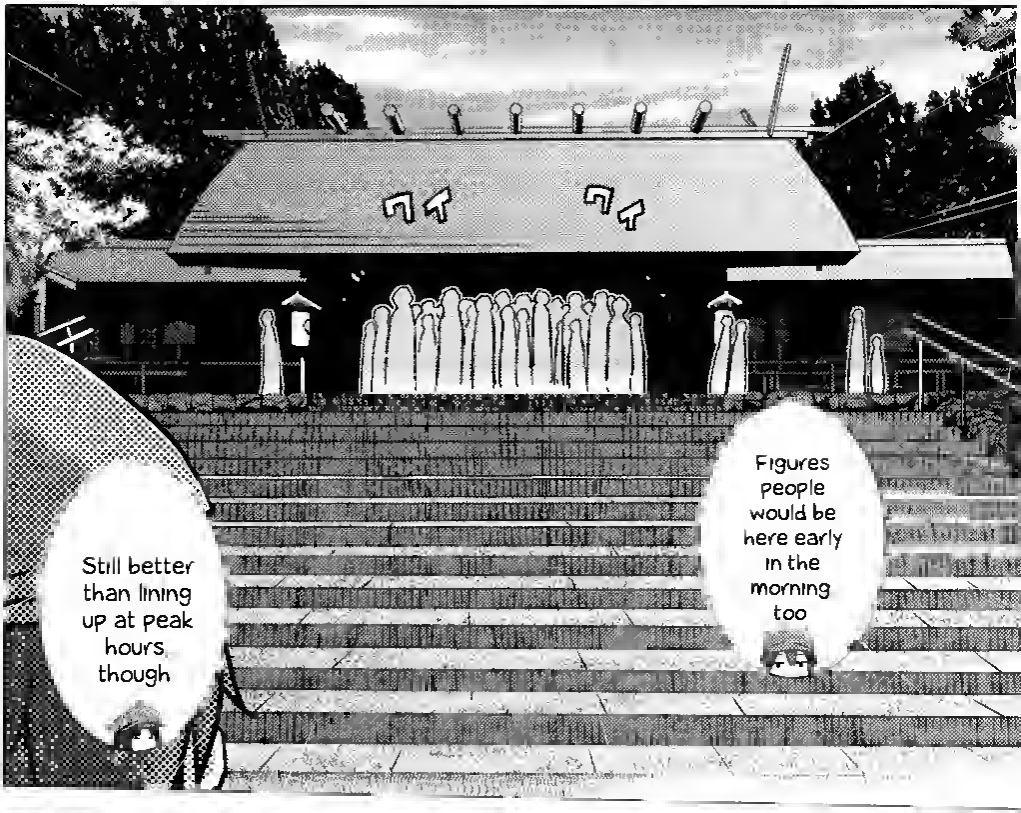
Yaay! It's Yuki-chan!
たっ
たっ

She kept bugging me about wanting to come to the shrine
It's a bother taking care of her alone, so sorry about taking her along with us

Yaay! Asa-chan is here too!
Hey, kid Long time no see

Well.
Now that we're all here, let's go.
ニヤニヤ
Quiet
What a nice big brother
Yeah. Once we're done here
Kyon-kun, I wanna get a fortune slip!
Oh, right. It might get crowded if we dawdle too long.

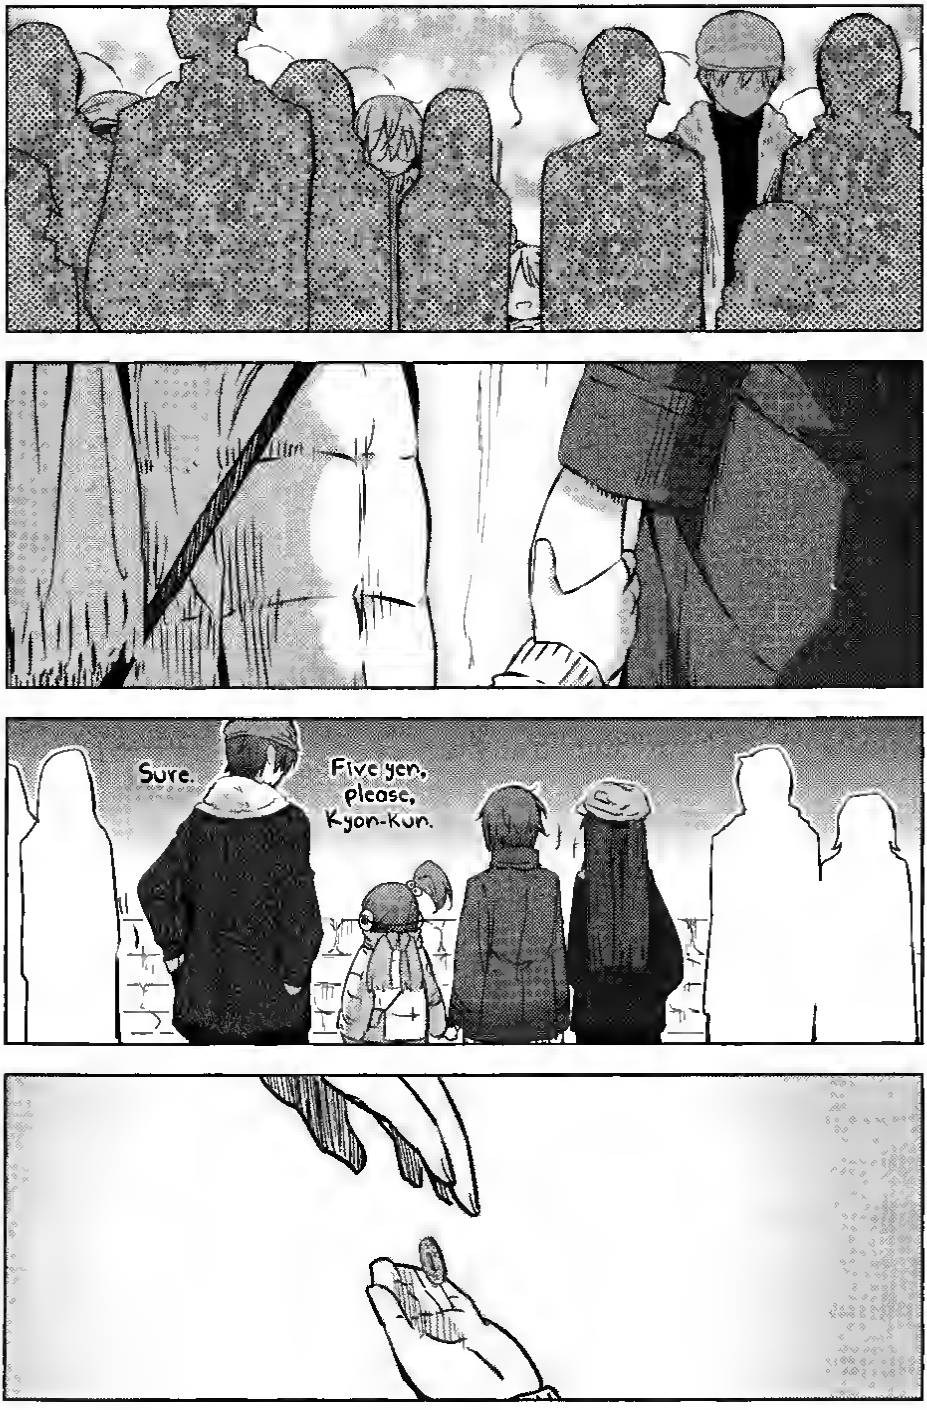
Hmm.



Still better than lining up at peak hours though
Figures people would be here early in the morning too

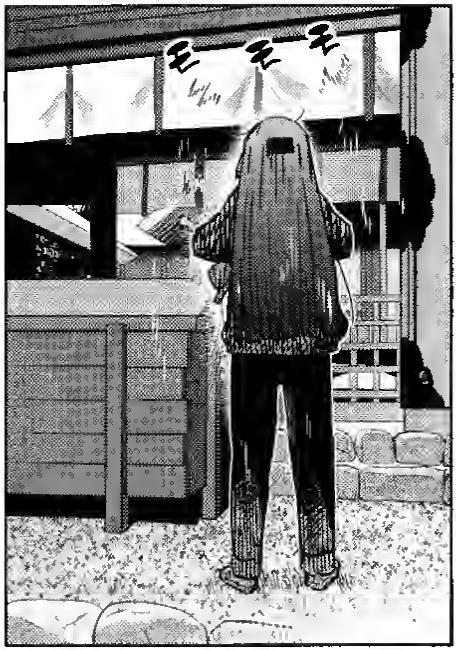
Understood
Wouldn't want that to get stuck to anyone's clothes
Put that away for now

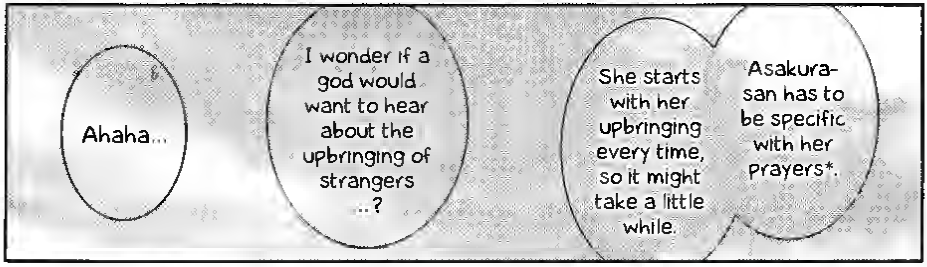
Cut it out.
どがっ
わたわた
Is that so
If this keeps up, it shouldn't take us more than five minutes?



Sure.
Five yen, please, Kyon-kun.

What!?
Sensei!
A little help, Asakura-sensei?
You know the proper customs?
Um...
Oh! It's written here!!
Thank twice, clap twice, bow once. Everyone knows that!!





Ahaha...
I wonder if a god would want to hear about the upbringing of strangers ...?
She starts with her upbringing every time, so it might take a little while.
Asakura-san has to be specific with her prayers*.

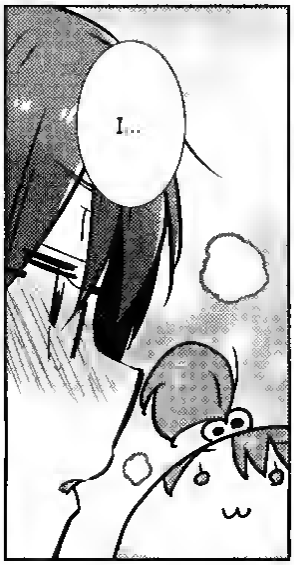
ピクッ
Hey, Nagato, what did you pray for?
Huh!? Me!?

……



I...

Umm...

It's a secret... I guess!
I-is that so?!

Aah, sorry, sorry! I made you wait, huh?
Huh? Your faces are all red. Did you both get a cold?
Umm?! No, I'm fine!
W-well, it's winter! If it's this cold, it's only natural...
Okay! Let's get fortune slips!

I like drawing the face that shows unfocused listening, but not intrusion on other people's conversations.
